Digital Marketing & Marketing Operations — Analytics · SEO · SEA · Tag Management

Dresden, Germany | +49 1734 249016 | gamabuono@gmail.com

PROFILE

Digital marketing professional with practical, hands-on experience across Analytics, SEO, SEA, and Tag Management. Skilled in translating website and campaign data into actionable insights, building reporting systems that go beyond standard tools, and managing paid media campaigns end-to-end. Continuously expands technical and strategic expertise through self-driven learning and certification, applying new methods directly to real marketing challenges.

PROFESSIONAL EXPERIENCE

Junior Marketing Manager

evergabe.de GmbH — Dresden, Germany

Aug 2024 – Present

- Own website performance monitoring end-to-end using GA4 and Looker Studio: track key metrics, detect and resolve data anomalies, and deliver custom dashboards used by the team for data-driven decisions.
- Manage on-page and off-page SEO using Sistris and Google Search Console; run technical audits with ScreamingFrog and built a custom GitHub-based reporting dashboard to speed up issue detection and reduce dependency on manual reporting.
- Maintained stable organic visibility through a full company website relaunch (Nov 2025) by proactively monitoring rankings and fixing technical issues during the transition.
- Set up and run SEA campaigns (Google Ads, Microsoft Advertising) for a new Academy account, including account structure, budget control, and ongoing optimization alongside a senior manager.
- Serve as company-side point of contact for Google Tag Manager during an active agency transition (Webit → in-house/Webnetz): container governance, tracking QA, and direct technical coordination with the external partner.
- Contributed to a company-wide website relaunch, drafting and refining content aligned with business goals and improved user experience.
